

BISCO® PRODUCT GUIDE

**bisco®**  
TRUSTED TO THE EXTREME

**BF-1000**

Extra soft grade, good compressibility, softness and durability, FDA compliant, UV resistant, UL 94 V-0

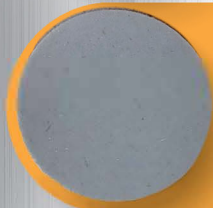

**HT-870**

Soft Grade, outdoor sealing, vibration isolation, low compression set, UV resistant, UL 94 V-0

**HT-800**

Medium grade, versatile formulation, enhanced weather sealing, UV resistant, UL 94 V-0

**HT-820**

Firm grade, enhanced durability, high tear and tensile strength, high closure force, UL 94 V-0

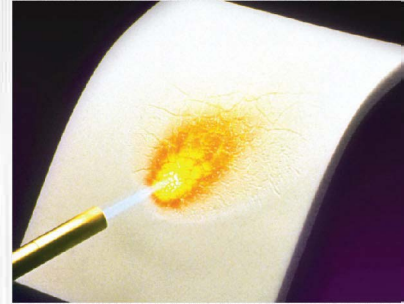

**HT-6360**

65 Duro, UL 94 V-0, FAR 25.856, Fire safety protection

**EC-2130**

Electrically conductive, EMI and RFI shielding, Low compressive force

TEMPERATURE RESISTANCE

UV & OZONE RESISTANCE

UL FLAMMABILITY RATING

LOW COMPRESSION SET
